Forecast for Sunday 29 Nov 2020

Weather: Clear spells overnight and sunny spells during the day but some cloud, mostly likely over Skye in the early hours and this edging east into Wester Ross and Lochalsh during the morning. Some patchy freezing fog in the straths and glens in the east. in the afternoon it will start to cloud over more generally from the west and in the evening this could bring a little light rain.

Chance of cloud free mountain/hill tops above 800m: 80%, falling 40% in the west by afternoon then 20% in the evening.

Visibility: Generally good away from the cloud, on the hills, falling in the evening.
